

MORE THAN A FLAG

Section 1: Why are flags important?

Flags (left to right): United States of America, New Mexico, City of Denver, Real Salt Lake

How are flags used throughout the world to represent people and places?

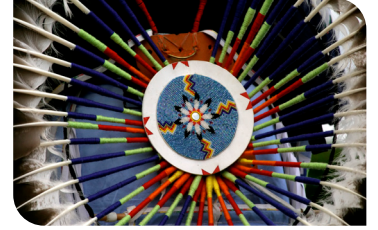

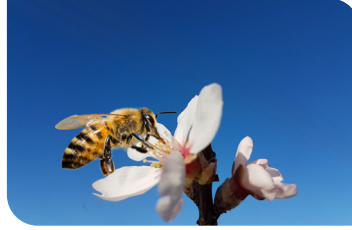

What benefits do flags have in our society?

Vexillology: The study of flags

Section 2: Utah's Current State Flag

How are flags used throughout the world to represent people and places? What/who do they represent?

Section 3: What symbols do you think should be on our state flag?

What makes the design of the flag unique and meaningful?

Does the flag represent Utah today?

Do you feel like the Utah State flag represents you personally? Why or why not?

What colors and symbols might better represent the state?

How would you describe Utah's common values?

Section 4: Create Utah's next flag!

Use what you've learned about how to create a memorable, distinct, and simple flag for the state of Utah following using the principles of good flag design.
